

# *Iowa State University*

## *Dairy Science Student Profile*

**Name:** Kyle Kass

**Hometown:** Farley, IA

**High School:** Western Dubuque

**Class Size:** 165

**Farm Name:** Kahs-Land Holsteins

**Major:** Dairy Science

**Why did you decide to attend ISU?** The amount of resources that ISU offers such as career fairs and many professors who are willing to help you really stuck out to me as well as offering a major that I am passionate in.

**What has been your most memorable college experience?** Our annual dairy science trip to the American Dairy Science Association conference where we have a chance to meet many other college students who are passionate in the dairy industry.

**What has been your favorite course?** Animal Science 337 a lactation course with Dr. Timms.

**What are your future career goals?** I would like to work for an AI company after graduation where I enjoy working with genetics and meeting with other dairyman.

**Iowa State University**  
**Dairy Science Department**
